

# Making workplace insurance claims easier

Athens Administrators has partnered with Gain Life to provide you with a website called Jarvis which is designed to support and guide people who get injured at work through the Workers' Compensation insurance claim process.

## Benefits to using Jarvis

By increasing transparency, communication and access to resources, Jarvis empowers employees to understand and easily navigate the workers' compensation insurance claim process.

### Send messages anytime

Securely communicate with your insurance claims team via text, email, or in-app messaging 24/7.

### View & sign documents faster

Read, upload, complete, and e-sign documents directly in Jarvis for quick review and approval.

### Appointments and reminders

Receive reminders for upcoming doctors appointments and what information to collect for your claim.

### Access to helpful resources

Access a library of resources and frequently asked questions to reduce anxiety about the claims process.

## Creating your account

After you've reported your claim, Athens Administrators will begin processing the claim and your account will be created. Follow the instructions below to activate through a QR code, or wait to receive an activation text and email.

### 1 Receive a link via text or email

Your claims team will send you a link to create an account by text or email within 24 hours of processing your claim (excluding weekends).

### 2 Activate by QR code

Open your phone Camera or QR reader, center the QR code, and tap the link to activate on the Jarvis website. Once your account is activated, access Jarvis any time at [app.jarvisclaims.com](https://app.jarvisclaims.com)
