

the **GUIDE**

Members have exclusive access to **The Guide**, our new risk management content hub, with **hundreds of downloadable resources**. Included are in-depth articles, best practices, and easy-to-follow checklists on industry-leading topics such as emergency services and cybersecurity – all created by our own in-house risk management experts. Resources are routinely updated, and new materials are added seasonally.

If you're ready to start your journey with **The Guide**, register today at poolingguide.com/explore

In addition to our members-only resources, you also have exclusive access to our partner learning platform, Zywave.

**ZYWAVE**

Includes:

- Streaming video courses on a vast array of risk topics
- Human resource tools, including the *HR Handbook Builder*
- Customizable forms & policies, including performance reviews
- Access to advice and support from the *HR Hotline*

Many of the materials in the The Guide can be downloaded and customized for use in your **internal trainings**, **risk management audits**, **protocol updates**, and **day-to-day operations**. With The Guide, our goal is simple: to equip you with the right tools to steer your entity forward with confidence.
